**First Issue Date: 10-12-2010**

---

#### **I. PURPOSE:**

The purpose of this policy is to extend discounts to Tennessee residents that are veterans in recognition of their service to the United States and as an incentive to visit and use Tennessee's State Parks.

#### **II. SCOPE:**

These discounts and privileges will apply in all Tennessee State Parks where the services are available.

#### **III. AUTHORITY:**

Tennessee Code Annotated §11-3-121, §58-3-112

#### **IV. BACKGROUND:**

Through Tennessee Code Annotated, §11-3-121(b)(1), the General Assembly of the State of Tennessee mandates that the commissioner shall offer discounted rates for activities at state parks to veterans who are Tennessee residents. The specific activities for which the discounts would apply, as well as the timing and amount shall be left to the commissioner's discretion provided that the discounts shall only be offered to resident veterans during the off season.

Tennessee Code Annotated, §58-3-112, states that the Division of State Parks shall designate one (1) day per year during which access to and use of all state parks, including, but not limited to, campgrounds and golf courses, shall be free of charge for all Tennessee veterans.
